Upcoming events

Most Impact events **STILL** Postponed due to Covid-19

Our plan is to do a smaller version of :

Santa Cause

Santa brings presents and meets kids at their house that would not have a fun Christmas morning, as many others experience.

Ambassador Corner

meet people that we promote

This year we had to make some changes in our approach to health and ministry. Keep our extended team in your prayers as we continue to promote their amazing efforts across the globe.

Message from our Executive Director

Matt Bohman
Matt@rhope.us

Matt has been serving churches and helping people understand the Bible since 1992. He oversees our Day to Day operation and our **Multiplying** (coaching/proactive) efforts that include 1) **consulting** churches toward biblical mission 2) developing teaching & training material 3) training relationship/ministry skills and teaching Bible/religion and 4) our Ambassadors of HOPE **resourcing** movement. He also oversees our **Showing** 2nd step **counseling** efforts.

The pandemic is over, though some still are being cautious with their interactions.

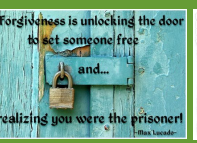

I was able to teach a class on the gospel of Matthew and will be offering another class this coming Winter on How to read the Bible with an emphasis on the Old Testament's first five books.

I continue to enjoy teaching, training, and encouraging while I worked with our schools and dispersed funds that truly made an impact on the lives of students & teachers.

Praying for wisdom on how to finish the year and how to handle our Santa Cause event.

Matt

We want to help people be the Church Monday through Saturday!

Your partnership allows our Staff to pay our bills and feed our kids. It allows us to be with those that are hurting. It allows us to feed and impact children in poverty. It allows us to rescue drug addicts. It allows all of us to be a part of a bigger team that is rescuing little girls from sex trafficking, and rescuing adult sex slaves from being trafficked against their will. *Together, we are bringing Heaven's will on Earth!*
