2023 Community Impact Changes

Restoring HOPE is planning to restart our Community Impact programs once our staffing is in place.

Message from our Executive Director

Matt Bohman
Matt@rhope.us

Matt has been serving churches and helping people understand the Bible since 1992. He oversees our Day to Day operation and our **Multiplying** (coaching/proactive) efforts that include 1) **consulting** churches toward biblical mission 2) developing teaching & training material 3) training relationship/ministry skills and teaching Bible/religion and 4) our Ambassadors of HOPE **resourcing** movement. He also oversees our **Showing** 2nd step **counseling** efforts.

Regrouping seems to be our 2023 theme. We are coming off of a great year financially encouraging our schools. But, it is time for Restoring HOPE to regroup. We will need a Community Impact Director to do our Buckhannon events and restart our partnerships with our church liaisons. Finding the right person and raising the finances needed will be the challenge.

As I mentioned before, parenting special needs children is tasking and my plate is full. I look forward to seeing how this year plays out!
